**Celebrating the 32nd Anniversary 1989 – 2021**

Dear MLK Scholarship Fund Supporter,

On Monday, January 18, 2021, we will pause to celebrate the life and legacy of Rev. Dr. Martin Luther King, Jr. As you are aware, for the past 31 years, the MLK Scholarship Fund Committee has celebrated this day by hosting a Scholarship Fund Breakfast, not just to fund raise, but also to acknowledge our students and show our appreciation to you for your continuing financial support of the MLK Scholarship Fund. In fact, during the past 31 years, thanks to you, 153 students have received scholarship and financial support.

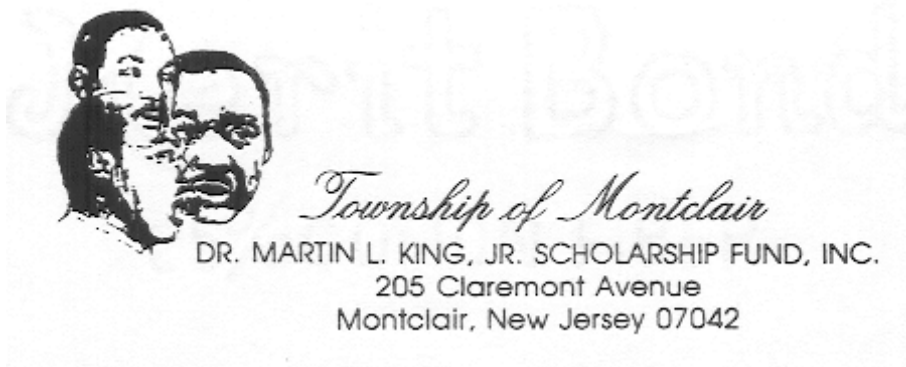

Although for 2021 we will not be able to fellowship in person at our usual breakfast, we are pleased to announce that the virtual scholarship breakfast will be shown on TV34 at 8:00 AM on Monday, January 18, 2021. The channel's service is available to Comcast (on channel 34) and Verizon FIOS (channels 34 and 33) subscribers in the Montclair Township area. Additionally, the video may be seen on TV34 Youtube Channel

One exciting component of this virtual get together is that the keynote messages will be presented by several of our MLK graduates, and many of them will attest that they might not have been able to afford college without the very critical financial support provided by the MLK Scholarship Fund.

This year we again earnestly solicit your support for the MLK Scholarship Fund. You may complete the enclosed form and mail your check to:

Thank you again for your support. We look forward to hosting you at the virtual program on January 18.

Sincerely,

Stanley E. White
